

Director Nirdesh Brings a Heartwarming Story to Life in 'Nanna Malli Rava..!' (Telugu Movie)

Description

A Tale of Emotions and Family Bonds

Another heart-touching Telugu movie is on its way. Titled 'Nanna Malli Rava..!', this film is being produced by Dr. Uma Rao under the Kamal Creations banner, with Nirdesh directing it. The movie stars senior actor Satyaprakash in the lead role, along with Prabhavati, Ritvik, Harika, and Shireesha in pivotal roles. Having recently completed its shooting, the film is now in the final stages of post-production.

Adding to the emotional depth of the film is music director Aramaan Merugu, whose soulful compositions are expected to enhance the storytelling and leave a lasting impact on audiences.

Sharing his excitement, lead actor Satyaprakash expressed, 'I'm delighted to be part of an emotionally charged film like this. Such stories are rare, and this movie, which can be enjoyed with the entire family, is sure to evoke deep emotions in everyone.'

Director Nirdesh elaborated on the story's inspiration, saying, 'The character of Venkanna compelled me to write this story. A father holds an indescribable emotional significance for everyone. I can confidently say that this movie will captivate audiences with its overwhelming emotional depth.'

Actress Prabhavati, who plays a mother in the film, shared her thoughts: 'Talking about a father alone brings tears to my eyes. The story written by Director Nirdesh is powerful enough to elevate the film. I believe 'Nanna Malli Rava..!' will set a new trend by blending strong emotions with a compelling narrative.'

Producer Dr. Uma Rao conveyed his gratitude and emphasized that the film is crafted with a subject that will deeply resonate with Telugu audiences. He announced that the movie, currently undergoing post-production work, will be released soon.
