Hyderabad: A soulful private musical album â??*Neeve Naa Tholi Prema*â?• (You Are My First Love), based on the sensitive themes of love and heartbreak, was launched in Hyderabad. Aimed at the youth, this Telugu version of the album beautifully captures emotions under the theme â??Love and Breakup.â?• The songs were unveiled separately by renowned film director and Telugu Film Directors Association President Veerashankar, and noted music director Bhole Shawali.

Speaking on the occasion, Director Veerashankar said, â??The entire VenLax team has done excellent work. The songs have the same high quality as those from big films. They are sure to appeal not only to the youth but to audiences of all ages.â?•

Music Director Bhole Shawali added, â??Itâ??s wonderful to see such emotionally rich music that connects with the youth. The songs carry a genuine love story feel. Produced under VenLax Productions and VenLax Musics, these songs will surely entertain audiences. My congratulations to the producer and director for encouraging young talent.â?•

The album features young and talented artists Harish Dachepalli and Sai Neeraja in lead roles, with Jagadeesh playing a key role. Unit members shared that Harish Dachepalliâ??s performance as the loverâ??expressing emotions naturally and touchinglyâ??stands out as one of the highlights.

**Technical Crew:**
The album was directed by Tajuddin, who also penned the soulful lyrics. Samar Simhaâ??s cinematography has made the visuals look grand and appealing. Jagadeesh Kumar handled editing and DI, while Prashanth worked as the art director. Technicians Naresh and Sandeep also contributed significantly to enhance the overall quality of the album.

Overall, the team of VenLax Productions expressed confidence that â??*Neeve Naa Tholi Prema*â?• will deeply resonate with todayâ??s young audienceâ??especially those who have experienced heartbreakâ??making them feel connected to its story.

Producer Harish Dachepalli revealed that the songs will soon be available on all major digital music platforms. He also mentioned that users can easily find the songs for creating reels by searching for

â??*Neeve Naa Tholi Prema (*Her Silence â?? Female Version)â?• in music apps.
