

Romantic Thriller 'Adhe Neevu Adhe Nenu' • Becomes a Successful Box Office Hit with Audience Appreciation

Description

- Director Kondal Expresses Gratitude to the Audience

Starring Trinath Varma (of Committee Kurrollu fame), Yashwanth Pendyala, Tanvi Negi (of Siddharth Roy fame), and Sahar Krishnan in the lead roles, Adhe Neevu Adhe Nenu has emerged as a successful romantic thriller. The film is produced by Govindu Kandregula under the Sri Lakshmi Veerabhadra Creations banner and directed by young filmmaker Kondal. Released recently, the film has received an excellent response from audiences and has turned out to be a successful venture. Producer Govindu Kandregula, director Kondal, and the film's team expressed their happiness over the movie's success.

Speaking on the occasion, Director Kondal said: Adhe Neevu Adhe Nenu was released on July 31 and is running successfully in theatres. The film has been widely appreciated by audiences across the two Telugu states. Everyone who has watched it has praised the film, saying it is outstanding and that its screenplay is refreshingly different. Many viewers have told us they have never seen a screenplay like this before and that it stands apart from routine commercial films. One of the aspects that has particularly connected with family audiences is how the misunderstandings created during the first half are resolved in the second half while highlighting the importance and values of the institution of marriage. The story is set in a gated community and revolves around six key characters. Attempting a romantic crime thriller without a single police character was itself an experiment. sincerely thank the audience for making our film a hit. I hope they continue to support and encourage our movie. If you enjoyed the film, please recommend it to at least 20 more people. Your encouragement means a lot to new directors and teams like ours. •
