

Tamil Blockbuster 'Dada' Coming to Telugu as 'Pa.. pa.'

Description

The Tamil blockbuster 'Dada' to release in Telugu as 'Pa.. pa.'
Releasing on December 13 in Andhra, Telangana, USA, and Australia.

A feel-good emotional drama is set to captivate Telugu audiences. Starring Kavin and Aparna Das in lead roles, the Tamil sensation 'Dada' directed by Ganesh K Babu, will be released in Telugu under the title 'Pa pa' producer Neeraja Kota under JK Entertainment, this movie, which resonated deeply with Tamil audiences, was a massive blockbuster in Kollywood. In Telugu, it is being released by Achibabu under MG Movies on December 13.

Last year, 'Dada' emerged as a sensational hit in Tamil cinema. Made on a modest budget, the film collected approximately ₹130 crores, becoming a blockbuster and earning tremendous profits for its distributors.

Producer Neeraja Kota expressed confidence that the Telugu version, 'Pa pa' with its heartwarming father-son sentiment, will equally impress Telugu audiences. Combining comedy, emotions, and romance, this feel-good emotional drama is expected to connect well with viewers and achieve blockbuster success. The movie is slated for a grand release on December 13 in theaters across Andhra, Telangana, the USA, and Australia.
