Teri Baaton Mein Aisa Uljha Jiya is a romantic drama which revolves around Shahid, who introduces Kriti to his family, unaware of the fact that the lady he has fallen in love with, is a robot.

Shahid recently revealed exclusively to News18 what kept him away from romantic entertainers. He shared that cracking the perfect script for a romantic love story is difficult for him, as heâ??s keen on offering something new to the audience with his filmi outings. â??I was kind of missing doing something light and fun, definitely, but honestly, itâ??s the most difficult genre to crack. Because, I mean, I listen to 10 scripts a month, and people donâ??t know that thereâ??s so much you hear from others â?? people tell me â??aur picture karoâ??. But itâ??s so difficult to find scripts that could offer the audience something new, and love story is the most difficult genre, I feel, to do. And then, I just found this film was answering that question of mine, like what is it that you can do new in a love story,â?• he said.

Directed by debut directors Amit Joshi and Aradhana Sah, the film has a runtime of 143.15 minutes, or 2 hours, 23 minutes, and 15 seconds. It has been granted U/A certificate by the Central Board of Film Certification (CBFC). Bollywood Hungama recently reported that CBFC cut a scene where the characters are intimate, making it 25% shorter. They removed 9 seconds, reducing the original 36-second sequence to 27 seconds. Besides this, the CBFC also changed the word â??Daruâ?? to â??Drinkâ?? in the second half of the film.
